sunbrella™

Maze Rattan work with Sunbrella® to engineer furniture made to last. The fabric fibres are solution-dyed acrylic, allowing the colour to permeate to the very core of the fabric fibres; thereby creating a rich, fade resistant colour that stand the test of time.

Even in the harshest climates, Sunbrella® provides years of care free service with an extended warranty on the fabric for peace of mind. With its unique qualities, Sunbrella® has grown to be trusted as the outdoor fabric specialists across the world. Truly guaranteed against the elements, the furniture can be left outside all year round and can be simply cleaned with warm soapy water.

Quick Dry Foam

Maze Rattan® uses an advanced high-performance foam that is designed specifically for outdoor cushions and furniture. The porous open-cell structure allows water to drain rapidly and fresh air to circulate freely. After a heavy downpour and in good weather conditions, the furniture is ready to use within the hour.

Care Instructions

Cleaning Maze Rattan's outdoor fabric range is a breeze thanks to the special Sunbrella® fabrics and maintenance free aluminium frames. For minor spills simply use warm water and a sponge to clean the surface of the furniture. For more stubborn stains, or stains that have been left to dry, consider using a mild soap or fabric cleaner in a bucket of warm water. We recommend using a soft bristle brush to work the dirt loose.

For the most stubborn stains, refer to the Sunbrella® official website (www.sunbrella.com).
